

Descendants of Norman McLeod

Generation No. 1

1. Norman¹ McLeod was born Abt. 1771¹, and died Bef. 1848². He married **Mary McLeod**. She was born Abt. 1771³, and died Bef. 1855⁴.

Notes for Norman McLeod:

Norman and Mary McLeod have been assumed to be the parents of Roderick McLeod on the basis that they were the grandparents of the younger Norman McLeod. The 1851 census shows Mary McLeod as being the younger Norman's mother. His death certificate, however, shows his parents as Roderick McLeod and Ann McKenzie. As his 22 year old son Ruairidh was the informant that parentage is surely correct. It seems certain, however that there was some relationship with the older Norman and Mary and that of grandson has been chosen as the most likely.
